

# Integrated Refrigeration (Built-under)

**KU1090A (Door-on-door)  
Built-Under Larder Refrigerator**

**Installation:**

- Built-under
- KU1090A (door-on-door)
- Reversible door
- Aperture height 820mm – 900mm

**Net capacity:**

- 143 litres

**Features:**

- Energy rating A
- Energy consumption (kWh/24h) 0.38
- Energy consumption (kWh/yr) 139
- Climate classification N
- Auto defrost
- Self closing door (from a 20° angle)
- Adjustable glass shelves
- 2 litre door compartment
- 1 salad compartment
- 1 egg tray

**KU1090B (Door-on-door)  
Built-Under Refrigerator with 4-Star Freezer**

**Installation:**

- Built-under
- KU1090B (door-on-door)
- Reversible door
- Aperture height 820mm – 900mm

**Freezer features:**

- 4-Star freezer
- 2kg freezing capacity
- Power cut safe for 12 hours

**Net capacity:**

- 105 litres (fridge)
- 21 litres (freezer)

**Fridge Features:**

- Energy rating A
- Energy consumption (kWh/24h) 0.57
- Energy consumption (kWh/yr) 208
- Climate classification N
- Auto defrost
- Self closing door (from a 20° angle)
- Adjustable glass shelves
- 2 litre door compartment
- 1 salad compartment
- 1 egg tray

**KU1090C (Door-on-door)  
Built-Under 4-Star Freezer**

**Installation:**

- Built-under
- KU1090C (door-on-door)
- Reversible door
- Aperture height 820mm – 900mm

**Net capacity:**

- 86 litres

**Freezer Features:**

- Energy rating A
- Energy consumption (kWh/24h) 0.56
- Energy consumption (kWh/yr) 204
- Climate classification N
- 4-Star freezer
- 3 baskets
- Power cut safe for 17 hours
- Self closing door (from a 20° angle)

# Integrated Refrigeration (Built-in)

**KD8072C (Door-on-door)  
Magna Design Line - Built-In 4-Star Freezer**

**Installation:**

- Built-in
- KD8072C (door-on-door)
- Reversible door
- Aperture height  
820mm – 900mm

**Net capacity:**

- 77 litres

**Freezer Features:**

- Energy rating A
- Energy consumption (kWh/24h)  
0.51
- Energy consumption (kWh/yr) 186
- Fast Freeze
- 4-Star freezer
- 3 transparent drawer  
compartments
- Power cut safe for 32 hours

**KS3088A (Sliding Door)  
KD6088A (Door-on-door)  
880mm Built-In Larder Refrigerator**

**Installation:**

- Built-in
- KS3088A (sliding door)
- KD6088A (door-on-door)
- Reversible door
- Aperture height  
874mm – 885mm

**Net capacity:**

- 155 litres

**Features:**

- Energy rating A
- Energy consumption (kWh/24h)  
0.42
- Energy consumption (kWh/yr) 153
- Climate classification SN
- Auto defrost
- Self closing door  
(from a 20° angle)
- 3 luxury adjustable safety-glass  
shelves with stainless steel trim
- 2 vegetable compartments
- 2 door compartments with a lid
- 1 luxury door compartment with  
anti tip rail

**KS1088C (Sliding Door)  
KD5088C (Door-on-door)  
880mm Built-in 4-Star Freezer**

**Installation:**

- Built-in
- KS1088C (sliding door)
- KD5088C (door-on-door)
- Reversible door
- Aperture height  
875mm – 880mm

**Net capacity:**

- 86 litres

**Features:**

- Energy rating A
- Energy consumption (kWh/24h)  
0.56
- Energy consumption (kWh/yr) 204
- Climate classification N
- 4-Star freezer
- 4 drawer compartments
- Power cut safe for 17 hours
- Self closing door (from a 20°  
angle)
- Capacity 13kg

# Integrated Refrigeration (Built-in)

**KD8088AD (Door-on-door)**  
**880mm Magna Design Line - Built-In Larder Refrigerator**

**Installation:**

- Built-in
- KD8088AD (door-on-door)
- Reversible door
- Aperture height 874mm – 890mm

**Net capacity:**

- 152 litres

**Features:**

- Energy rating A+
- Energy consumption (kWh/24h) 0.30
- Energy consumption (kWh/yr) 124,1
- Climate classification SN-T
- Electronic controls
- Digital display - internal temperature
- Fast cool
- Auto defrost
- 4 luxury adjustable safety-glass shelves with stainless steel trim
- 2 vegetable compartments
- 1 door compartments with a lid
- 1 luxury door compartment

**KS3122A (Sliding door)**  
**KD6122A (Door-on-door)**  
**1220mm Built-in Larder Refrigerator**

**Installation:**

- Built-in
- KS3122A (sliding door)
- KD6122A (door-on-door)
- Reversible door
- Aperture height 1221mm

**Capacity:**

- 219 litres

**Features:**

- Energy rating A
- Energy consumption (kWh/24h) 0.44
- Energy consumption (kWh/yr) 161
- Climate classification SN
- Auto defrost
- Self closing door (from a 20° angle)
- 5 luxury adjustable safety-glass shelves with stainless steel trim
- 1 luxury shelf with bottle rack
- 2 vegetable compartments
- 2 door compartments with a lid
- 1 luxury door compartment with anti tip rail
- Door compartment with bottle stabiliser
- Egg tray

**KD6122AG (Door-on-door)**  
**1220mm Built-in Larder Refrigerator**

**Installation:**

- Built-in
- KD6122AG (door-on-door)
- Reversible door
- Aperture height 1221mm

**Capacity:**

- 219 litres

**Freezer Features:**

- Energy rating A+
- Energy consumption (kWh/24h) 0.35
- Energy consumption (kWh/yr) 128
- Climate classification SN
- Auto defrost
- Self closing door (from a 20° angle)
- 4 luxury adjustable safety-glass shelves with stainless steel trim
- 1 luxury shelf with bottle rack
- 2 vegetable compartments
- 2 door compartments with a lid
- 1 luxury door compartment with anti tip rail
- Door compartment with bottle stabiliser
- Egg tray

# Integrated Refrigeration (Built-in)

**KD6122AF (Door-on-door)  
1220mm Built-in Larder Refrigerator**

**Installation:**

- Built-in
- KD6122AF (door-on-door)
- Reversible door
- Aperture height 1221mm

**Capacity:**

- 219 litres

**Freezer Features:**

- Energy rating A+
- Energy consumption (kWh/24h) 0.35
- Energy consumption (kWh/yr) 128
- Climate classification SN
- Auto defrost
- Self closing door (from a 20° angle)
- 3 luxury adjustable safety-glass shelves with stainless steel trim
- 1 luxury shelf with bottle rack
- 2 vegetable compartments
- 2 door compartments with a lid
- 1 luxury door compartment with anti tip rail
- Door compartment with bottle stabiliser
- Egg tray
- 1 climate fresh box (telescopic)

**KD8122AF (Door-on-door)  
1220mm Magna Design Line - Built-in Larder Refrigerator**

**Installation:**

- Built-in
- KD8122AF (door-on-door)
- Reversible door
- Aperture height 1220mm – 1236mm

**Features:**

- Energy rating A+
- Energy consumption (kWh/24h) 0.4
- Energy consumption (kWh/yr) 149.7
- Climate classification SN-ST
- Auto defrost
- Electronic controls
- Digital display - internal temperature
- Fast cool
- 4 luxury adjustable safety-glass shelves with stainless steel trim
- 1 luxury shelf with bottle rack
- 1 climate fresh box (telescopic) for:
  - Meat
  - Fish
  - Dairy produce

- 1 climate fresh box with adjustable humidity (telescopic) for:
  - Fruit
  - Vegetables
- 2 door compartments with a lid
- 1 luxury door compartment with bottle stabiliser
- Egg tray

# Integrated Refrigeration (Built-under)

**KD8140AD (Door-on-door)**  
**1400mm Magna Design Line - Built-in Larder Refrigerator**

**Installation:**

- Built-in
- KD8140AD (door-on-door)
- Reversible door
- Aperture height 1397-1413mm

**Features:**

- Energy rating A+
- Energy consumption (kWh/24h) 0.4
- Energy consumption (kWh/yr) 138.7
- Climate classification SN-T
- Auto defrost
- Electronic controls
- Digital display - internal temperature
- Fast cool
- 6 luxury adjustable safety-glass shelves with stainless steel trim
- 1 luxury shelf with bottle rack
- 2 vegetable storage drawers
- 1 door compartment with a lid
- 1 luxury door compartment with bottle stabiliser
- Egg tray

**Capacity:**

- 260 litres

**KD8140CD (Door-on-door)**  
**1400mm Magna Design Line - Built-in Freezer**

**Installation:**

- Built-in
- KD8140CD (door-on-door)
- Reversible door
- Aperture height 1397-1413mm

**Freezer features:**

- Energy rating A+
- Energy consumption (kWh/24h) 0.7
- Energy consumption (kWh/yr) 240.9
- Climate classification SN-T
- Electronic controls
- Digital display - internal temperature
- Fast freeze
- 4-Star freezer
- 6 transparent drawer compartments
- Door compartment with bottle stabiliser

**Capacity:**

- 156 litres

**KS3178B (Sliding door)**  
**KD6178B (Door-on-door)**  
**1780mm Built-in Refrigerator with 4-Star Freezer**

**Installation:**

- Built-in
- KS3178B (sliding door)
- KD6178B (door-on-door)
- Reversible door
- Aperture height 1776mm

**Fridge Features:**

- Energy rating A
- Energy consumption (kWh/24h) 0.85
- Energy consumption (kWh/yr) 310
- Auto defrost
- Self closing door (from a 20° angle)
- 5 luxury adjustable shelves with safety glass
- 1 luxury glass shelf with bottle rack
- 2 vegetable compartments
- 2 litre door compartment
- 1 luxury door compartment with anti-tip rail
- 1 egg tray
- 1 ice cube tray
- Temperature increase alarm

**Freezer features:**

- 4-Star freezer
- 6 kg freezing capacity
- 3 drawer compartments
- Fast freeze

**Net capacity:**

- 198 litres (fridge)
- 65 litres (freezer)

# Integrated Refrigeration (Built-in)

**KS2178B (Sliding door)**  
**KD2178B (Door-on-door)**  
**1780mm Built-in Refrigerator with 4-Star Freezer**

**Installation:**

- Built-in
- KS2178B (sliding door)
- KD2178B (door-on-door)
- Reversible door
- Aperture height 1776mm

**Fridge Features:**

- Energy rating A
- Energy consumption (kWh/24h) 0.73
- Energy consumption (kWh/yr) 259.8
- Auto defrost
- Self closing door (from a 20° angle)
- 4 luxury adjustable shelves with safety glass
- 1 luxury glass shelf with bottle rack

- 2 vegetable compartments
- 2 litres door compartment
- 1 luxury door compartment with anti-tip rail
- Door compartment with bottle stabiliser
- 1 egg tray
- 1 ice cube tray

**Freezer features:**

- 4-Star freezer
- 3 kg freezing capacity
- 2 drawer compartments

**Net capacity:**

- 264 litres (fridge)
- 32 litres (freezer)

**KD6178BD (Door-on-door)**  
**1780mm Built-in Refrigerator with 4-Star Freezer**

**Installation:**

- Built-in
- KD6178BD (door-on-door)
- Reversible door
- Aperture height 1776mm

**Fridge Features:**

- Energy rating A
- Energy consumption (kWh/24h) 0.85
- Energy consumption (kWh/yr) 310
- Auto defrost
- Self closing door (from a 20° angle)
- 4 luxury adjustable shelves with safety glass
- 1 luxury glass shelf with bottle rack
- 2 vegetable compartments
- 2 litres door compartments

- 1 luxury door compartment with anti-tip rail
- Door compartment with bottle stabiliser
- 1 egg tray
- 1 ice cube tray
- On/off indicator
- Temperature increase alarm

**Freezer features:**

- 4-Star freezer
- 9 kg freezing capacity
- 3 drawer compartments
- Fast freeze

**Net capacity:**

- 198 litres (fridge)
- 65 litres (freezer)

**KD6178BF (Door-on-door)**  
**1780mm Built-in Refrigerator with 4-Star Freezer**

**Installation:**

- Built-in
- KD6178BF (door-on-door)
- Reversible door
- Aperture height 1776mm

**Fridge Features:**

- Energy rating A
- Energy consumption (kWh/24h) 0.85
- Energy consumption (kWh/yr) 310
- Auto defrost
- Self closing door (from a 20° angle)
- 3 luxury adjustable shelves with safety glass
- 1 luxury glass shelf with bottle rack
- 2 vegetable compartments
- 2 litres door compartment

- 1 luxury door compartment with anti-tip rail
- Door compartment with bottle stabiliser
- 1 egg tray
- 1 ice cube tray
- On/off indicator
- Temperature increase alarm
- 1 climate fresh box (telescopic)

**Freezer features:**

- 4-Star freezer
- 9 kg freezing capacity
- 3 drawer compartments
- Fast freeze

**Net capacity:**

- 263 litres (fridge)
- 65 litres (freezer)

# Freestanding American Style Refrigeration

## KA2011DL Freestanding American Style refrigerator

### Installation:

- Freestanding
- Height 1760mm
- Width 896mm
- Depth (including door/handle) 755mm
- Depth (excluding door/handle) 694mm
- Extra long water connection (push fit)

### Fridge Features:

- Stainless steel exterior:
  - Doors
  - Sides
  - Top
  - Plinth
- Electronic temperature control
- Dispenser with LED display for:
  - Water
  - Crushed ice
  - Cubed ice
- Humidity and temperature controlled compartments for salads, fruit, fish and meats
- Slide out glass shelves
- Antibacterial walls
- Internal water filter
- Air cleaning system
- Frost free

### Freezer features:

- 4-Star freezer
- 10.9kg/24hours freezing capacity
- Power cut safe for 12 hours
- Frost free

### Net capacity:

- 355 litres (fridge)
- 186 litres (freezer)

### Accessories:

- Replacement water filter AK100V
